

THE ACCOUNTANT

ONLINE + PRINT

► The Accountant is the definitive guide for Accountants and Auditors. It contains articles that are of interest to accountancy and audit professionals working in public practice as well as accountancy and audit professionals working in the different Maltese industry segments such as financial services, manufacturing and hospitality amongst others. Legal and financial consultants, fiduciaries and trustees are also part of the Accountants reader base.

The Accountant has established a reputation as being the foremost publication for the Maltese Accountancy and Audit profession providing a holistic approach covering unique financial and business

related services and information to various sectors, giving a diversified insight into business processes, including (but not limited to) Auditing and Assurance, Accountancy, Tax, Regulatory and Compliance, Advisory and Corporate services. Published quarterly, the Accountant delivers the editorial content to satisfy the market's need to disseminate a fast, thorough response to contemporary financial reporting matters. Market participants such as economic policy makers, regulators, banking and competition supervisors, corporations and financial institutions, require timely and robust answers to the contemporary and emerging policy questions.

The Accountant boasts of a wide distribution, with over 5000 copies circulated each month to ACCA, University, MCAST and Sixth Form students along with all local banks, business class hotels, libraries, audit, legal and accountancy firms as well as its subscription list.

As the appointed exclusive publishers of The Accountant in collaboration with the Malta Institute of Accountants, MBR Publications Limited are pleased to accept bookings for the online quarterly issues.
